910 - 17th Street, N.W.  
Washington, D.C. 20006

Dear Ramsay:

This acknowledges your letter to me of June 11 concerning the sale of Southern Air Transport, Inc.

I am informed that the situation is currently being reviewed in depth by the Civil Aeronautics Board through its normal procedures and this would appear to be the proper forum for such a hearing. Since no final decision has been made on the issues involved, I do not believe it appropriate to take further action at this time.

Sincerely,

  
Stuart Symington
